How to Install

There are two ways to install the Plugin. One is the Automatic Installation and another is the Manual Installation.

Automatic Installation:

- Automatic Installation is the easiest option as WordPress handles the file transfers and you don't even have to leave your web browser. To do an automatic install of Woocommerce Toggle Archive , log in to your WordPress admin panel and go to: **Plugins -> Add New**.
- In the **"Upload"** field browse Plugin zip folder "wootoggle" and click upload. You can install it by simply clicking **Install Now**. After clicking that link you will be asked to **Activate Plugin or Return to Plugins Page**. Click Activate Plugin and the installation will automatically complete.

Manual Installation:

- Unzip the Plugin zip file ("wootoggle.zip").
- Using an FTP program or your hosting control panel, upload the unzipped Plugin folder to your WordPress installation's **wp-content/plugins** directory.
- Go to Woocommerce -> Settings->WooCommerce Toggle Archive-> for admin customization.
- The Plugin works once you click **"Activate"**.
